FOLDING T HANDLES

SLEEK SERIES WHALE TAIL ZINC ALLOY

FEATURES

- New IP65 “Sleek” series whale tail folding T-handle
- Dual locking: padlockable and key locking
- Supplied with two options of roller cam heights
- Pins to suit our 8mm diameter rods for three point locking
- 5mm compression on roller cam as handle is stowed
- High security lazer cut key
- Key barrel spring return after lock/unlock rotation
- Mounting backing plate for more secure installation

MATERIAL & FINISH

- Die cast zinc alloy: textured black powder coat / zinc chrome plating
- Zinc plated mild steel other components

ACCESSORY OPTIONS:

- Compact 12V central locking module available separately - can be retrofitted at a later date giving both designer and end user cost effective flexibility
- Counter clockwise cam option available for installations where opposite cam rotation required
